Mr. Gupta from India visited London Office in January, and during a holiday visit to Malta Mr. C. Golding made a number of sales calls, thus combining business with pleasure.

## COX & WRIGHT

A brief visit was made by Mr. M.E.J. Wright to Messrs. Albeko Limited, C & W agent in Germany, and the Dutch agent - D.J. Mateijsen - was visited by Mr. W.T. Clifton.

Mr. Douglas Taylor has been appointed Manager of shop fittings for Fred Hawkes (Refrigeration) Ltd. Fred Hawkes (Refrigeration) Ltd., are associated with Fred Hawkes Ltd., a subsidiary of C & W.

On a festive note, the C & W Sports and Social Club Annual Dinner Dance was attended by Dr. H. Simon, Mr. & Mrs. B. Liss and Mr. V. Vohralik. It was a pleasant and memorable event.

## EVODE LIMITED

Expansion of the laboratory facilities into the space previously used as Works Canteen is now completed. This will provide a home for the Group Research Department and the Industrial Adhesives Division Laboratory. Dr. P.J.C. Counsell is Group Research Manager and the Industrial Laboratory will be controlled by Mr. N.C. MacDonald. There will now be alterations in the upstairs layout, intended to improve Library and Information services and Group Analytical facilities. A factory extension has started on the east side of the site. Completion target date is October, 1969, and the buildings will comprise a 16,000-sq. ft. warehouse and 32,000-sq. ft. of production space. At the south-east corner of the site, a 400-ft. deep test hole has been drilled to explore the nature of the ground.

Mr. J.D. Richardson has been appointed as our second Product Manager. Following the retirement of Mr. R.C. McPhee - Sales Director, Mr. H. Liss has been appointed Sales Manager of the Building Chemicals and Bitumen Division, and Mr. K.J.C. Davies has been appointed Sales Manager of the Merchant Division.

B.B.C. T.V. visited the Stafford site during the course of producing a film on the subject of the fire services. Sequences were shot at Stafford and the film will be shown on T.V. on the 20th and 21st January.

Export sales included the first TWINSTIK order from Poland value £500.

#### OVERSEAS VISITORS

During December we were visited by Mr. Meulengracht - Managing Director of Gravquick and Mr. Nordahl of Evonor.

#### EVOMASTICS

Export sales of FLASHBAND to our Dutch Associate, Simson, totalled more than £21,000 for the first three months of the financial year. An order has been received from Turkey for over 200 kegs of Sealing Compound MRS.114.

Mr. C.J. Foreman has been appointed as Southern Regional Sales Manager, commencing 13th January, 1969.

#### VIK SUPPLIES

Again an export item, with the receipt of an order from South Africa valued at almost £4,000 for THERMOVIK
